

THE CHURCH OF
JESUS CHRIST
OF LATTER-DAY SAINTS

Job Opening Title: Gardener 2 (Boise Idaho Temple)

Job Opening Number: 92660

Job Family: Maintenance & Grounds

Location: USA - Idaho - All Locations

Posting Date: May 25, 2012

Unposting Date: June 18, 2012

Full/Part Time: Full-Time

Regular/Temporary: Regular

Purposes:

This position assists with the proper high standard of care and maintenance for the temple grounds, parking lot, fencing, and grounds buildings. Works with others to provide flower beds, lawns, and landscaped grounds in a manner that creates a beautiful atmosphere for those who come to the temple. Provides work direction and technical assistance to gardeners and volunteers and personally performs gardening duties.

Responsibilities:

- 100% - Performs grounds maintenance duties such as mowing, trimming, edging, pruning, watering, weeding, spraying, planting, irrigation repair, snow removal. Assist in supervising temporary staff, volunteers, and other employees during busy parts of the season.

Qualifications:

- High school graduate with two years experience in horticulture and grounds maintenance and two years of college or technical training in horticulture. Bachelor's degree in horticulture preferred.
- Strong practical knowledge and application of gardening and landscaping principles.
- Previous experience with mowing, trimming, edging, pruning, watering and planting.
- Demonstrated knowledge of plants and fertilizers.
- Licensed, as required, as a non-commercial pesticide/chemical applicator.
- Understanding of and ability to work with sprinkling systems.
- Ability to follow directions and work independently or with a team.
- Prior supervisory experience strongly preferred.

Worthiness Qualification:

Must be an endowed member of The Church of Jesus Christ of Latter-day Saints with a current temple recommend.
